DAHLIAS - GLADIOLUS - MISCELLANEOUS BULBS

WHOLESALE LIST - SPRING 1946

Headquarters for The Finest Commercial Cut-Flower Dahlias

LARGE FLOWERING KINDS

	Strong Divisions EACH	Strong Divisions EACH
ANNA BENEDICT. (I.D.) A beautiful shade of garnet-red with darker shadings at base. A thrifty grower with lots of substance, good form and strong stems.25	
AVALON. (I.D.) Beautiful clear yellow and the best of this color for commercial use. Fine form on long stems. In hot weather the stems are somewhat rubbery but this fault is corrected in the Fall.25	
BALLEGO'S SURPRISE. (C.) A beautiful pure white cactus.75	
BLUE JERSEY. (F.D.) This is a true sport of Jersey's Beauty and has all of the parent's fine qualities. Color is orchid lavender and since we introduced it to the trade a few years ago it has become a leader among commercial kinds.20	
BRONZE BALL. (Ball) Sturdy, medium size flower that is popular in the New York market. Solid bronze. Free flowering and good stem.15	
BUCKEYE BRIDE. (F.D.) Geranium pink and soft salmon. Large flowers on long stems. Good clean grower. Flowers profusely all season.25	
DR. JOHN CARMAN. (F.D.) Very large, heavy flower. Color is a distinctive tyrian rose, with silver tips. Fine for cutting and in the garden it is outstanding.25	
ELKRIDGE. (I.D.) A fine commercial white of graceful shape. Long, strong stems and a good grower.20	
ELSIE BURGESS. (Ball) An old time favorite. White base with lavender tips. Profuse bloomer and splendid keeper.20	
FORT MONMOUTH. (I.D.) Deep maroon with violet petal tips. The striking color makes this variety a ranking favorite.25	
FRANCES LA ROCCO. (F.D.) This is the most popular of the light yellow varieties. Good cutter and much used by commercial growers.20	
FRANCES LA ROCCO IMPROVED. This is an improved form of the above variety. The flowers are much deeper yellow and the keeping quality is considerably better. It is worth much more than the difference in price and we recommend it highly.25	
FRAU O'BRACHT. (C.) Clear yellow cactus variety that is a real beauty. Medium size flowers. Fine stems.60	
GALLANT FOX. (F.D.) A commercial red that should be grown by every florist. Not a profuse bloomer but its keeping qualities, sturdy stem and fine color make it a valuable sort.15	
GERTRUDE BRITTON. (F.D.) A low growing spectrum red on perfect stem. Must be topped out early for good cut flowers.20	
GOLDEN ECLIPSE. (F.D.) Large, golden yellow on tall strong stems. Excellent cut flower variety. Good keeper. Plants must be tied up for best results.25	
HUNT'S VELVET WONDER. (I.D.) A huge flower that will appeal to those who want size. Color is rosy-magenta which blends into a true purple. Strong, heavy stems.40	

The initials behind each variety designate (I.D.) Informal Decorative; (F.D.) Formal Decorative; (C) Cactus; (S.C.) Semi Cactus.

DAHLIAS — Large Flowering

Strong Divisions EACH

Strong Divisions EACH

INDIANA MOON. (I.D.) A large flower of flesh ochre with a faint line of spinal pink. Good stems and perfect form. A garden favorite.35

J. J. JEFFERSON. (F.D.) A sturdy milk-white with excellent substance and strong stem. A worthy addition to any florists' list.25

JAMES KIRBY. (I.D.) Very fine clear red that has good form, stem and substance. For those who want outstanding flowers this is the best red. Must be staked, tied and grown with care for best results.20

JANE COWL. (I.D.) Large, shaggy flower of copper and gold. This old favorite is losing its popularity with commercial growers on account of its poor keeping trait but is still one of the most popular for garden use.25

JEAN KERR. (F.D.) Still the most popular white with most cut flower growers. The flowers are medium size and many are produced on each plant. A good keeper and fine for floral work.15

JERSEY'S BEACON. (F.D.) Chinese red with lighter shadings on reverse side which give a beautiful two-toned effect. Large flower.20

JERSEY'S BEAUTY. (F.D.) This fine pink variety still maintains its position as the leader of all commercial kinds and we are by far the largest suppliers of it. We offer carefully rogued and selected stock. (not over 25% of this variety can be supplied on any order.)20

JERSEY'S WHITE BEAUTY See "White Jersey's Beauty."25

KENTUCKY. (F.D.) This beautiful orange sport of Jersey's Beauty, with all of the fine traits of the parent, ranks close to the top of the list of the leading commercial kinds and also belongs in every garden collection.18

KISS ME. (S.C.) A fine bi-color variety of variable white and red that has impressed many local growers and is now one of the leading cut flower varieties with those who grow for the market.20

LE TOREADOR. (F.D.) This is the leading commercial red variety in the low priced range. Medium size, flat flower of glowing deep red. Strong stem of medium length.15

LOIS WALCHER. (I.D.) Variable pansy-purple with white tips. An outstanding flower that makes an immediate appeal with all who see it. Its keeping qualities make it excellent for cut flower use. We have again reduced the price.40

MARSHALL'S PINK. (F.D.) Large, globular flower of bright pink with silver sheen. Somewhat soft for early season commercial use but a beauty in the garden.25

MAUDE ADAMS. (Show) Our southern customers still want this old favorite and we have again increased our stock. Profuse blooming variety with strong stems. The flowers, which are snow white with slightly pink edging, are very useful for florist work.20

MISS BELGIUM. (C.) An even shade of burnt orange. Medium size flower on long, wiry stems. Early and continuous flowerer. This variety is fast becoming very popular and deservedly so.... .35

MRS. A. E. WHEELER. (F.D.) Royal purple with lighter veins. Good, free flowering variety and a nice grower. If you like Thos. Edison, you should also have this one.30

MRS. GEORGE LE BOUTILLIER. (I.D.) Rich, velvety-carmine, producing giant flowers on long stems. Good garden variety.20

MRS. I. de VER WARNER. (F.D.) This is still a favorite orchid-lavender variety. While the blooms are too soft for commercial use, it is a variety that should be in every Dahlia garden.25

MYRA HOWARD. (I.D.) Pure golden color with a sheen of rose. Large flower with straight, stiff stem. A real beauty.25

NATHAN HALE. (F.D.) Coppery-yellow and gold and good form, stem and substance. Should be planted early as it is a late bloomer. Very fine and the best in this color.20

PRINCE OF PERSIA. (I.D.) Bright cardinal-red and a real beauty. Flowers face well on long stems. Good grower.25

RED JERSEY. (F.D.) This is an excellent commercial red with the same habits of growth as Jersey's Beauty. Good form, color and stem. Now offered at a reasonable price.18

ROSE FALLON. (F.D.) Old gold with rosy bronze shadings. Immense flower on very tall plant.25

ROSE BALL. A very nice deep rose ball variety.20

RUBY TAYLOR. (F.D.) Ruby red with purple shading. Fine, large flower on vigorous bush. Commercial growers are taking to this variety for it has many fine qualities and we urge all our customers to give it a try.30

SIR LANCELOT. (F.D.) Garnet-rose shading to purple. Vigorous grower with many large flowers on strong bush.18

SON OF SATAN. (C.) A very fine garden Dahlia. Many flowers on the strongest growing plant of any Cactus variety we know of. Large shaggy flowers of bright red on long stems.50

SULTAN OF HILLCREST. (F.D.) Of unique form with petals recurving to the stem which attracts one's attention. Huge blooms of lemon-yellow with reverse of rosy pink on fine stems.25

THOMAS EDISON. (F.D.) A grand and striking variety of deep royal purple. Deservedly popular. We have increased our stock of this variety in response to a demand that persists from year to year.30

WATCHUNG GIANT. (I.D.) A new, huge yellow-gold variety that has all the qualities to make it a winner with those who want enormous flowers. Fine form and substance and good stem.20

WHITE JERSEY'S BEAUTY. (I.D.) The flowers, of medium size, pure white, are borne profusely on wiry stems. The foliage is crisp, clean and insect resistant. All commercial growers should have this one.25

WHITE KING. (F.D.) This is a leading pure white with commercial growers. The flowers are of perfect form and the right size for cut flower use.20

WHITE WONDER. (I.D.) A large flower that is a beauty for the garden. Pure white with good stem and perfect form.20

The initials behind each variety designate (I.D.) Informal Decorative; (F.D.) Formal Decorative; (C.) Cactus; (S.C.) Semi Cactus.

MINIATURE DAHLIAS

All cut flower market reports emphasize what we have been telling our customers for several years—that there is a constantly growing demand for the smaller types of flowers—Miniatures and Pompons.

The flowers are useful over a long period for they are not affected by the summer heat as much as the larger types. Rapid strides have been made in the development of better varieties and our list includes a wide range of color in the finest available kinds.

	EACH
BABY ROYAL. A combination of salmon, apricot and yellow. A leader in the small flowering group.20
BABY SAGAMORE. Flowers are light bronze of perfect decorative form. Tall strong plant.25

"MARTHA DEANE" —OUR OWN INTRODUCTION

Acclaimed alike by commercial cut flower growers and amateur hobbyists as the finest yellow Gladiolus in existence today.

"MARTHA
DEANE"
HAS
EVERYTHING!

COLOR	A pleasing light yellow.
FLOWER	Large florets — perfect form — long flower spike — opens 5 in field — 7 in water.
STEM	Tall and straight — 5 feet — with no crooks.
GROWTH	Exceptionally strong grower — with clear wide foliage.
PROPAGATION	Produces many small bulblets and they germinate readily.

We believe that this Gladiolus will take its place among the very top-notchers in the commercial cut flower list. Offered this season for the first time — with our assurance that prices will not be lower for the 1946 crop.

PRICES

Bulblets, Per Quart	500.00

And we also offer a Commercial Unit consisting of:

Ten large bulbs, twenty medium, eight small and 500 bulblets for	\$500.00
--	----------

BY THE MAN WHO KNOWS GLADIOLUS BEST

Mr. Clarence D. Fortnam of Tyler Hill, Penna., well known amateur authority on fancy Gladiolus, kindly consented to grow and exhibit our Martha Deane this past season. His report on this variety will be found in several of the current Gladiolus bulletins and in his review of the 1945 winners which will appear in one of the early 1946 issues of "The Flower Grower."

Miscellaneous Bulbs and Roots

AMARYLLIS — Giant Hybrids

No other bulbous subject offers such an opportunity for the development of increased sales and satisfied customers as these Hybrid Amaryllis. For years we have aided in their development and have started many concerns selling them—and we never get an unfavorable report.

TIGRIDIA PAVONIA

For brilliancy of color there are few floral subjects that can compare with Tigridias. The bulbs, which can be handled the same as Gladiolus, bloom in mid-summer. Each stalk produces several flowers and this prolongs the display.

For something strikingly beautiful and unusual we suggest these Tigridias.

OUR FAMOUS DAHLIA PACKAGES

We are sure that our method of packing these collections represents the most progressive step that has ever been advanced towards the successful retailing of Dahlia roots. They are packed in neat, attractive boxes with the flowers shown in actual color on the covers and each root is separately wrapped in moisture proof paper which preserve the vital life of the tuber until planted. Complete planting and growing instructions are shown on each package.

"GARDEN FULL OF DAHLIAS"

This collection contains six of the most popular standard varieties such as Jane Cowl, Jersey's Beauty, etc., and the whole color range is represented. The names of the varieties are plainly printed on the front of the box and each root is labeled. This package is the most popular number and sells itself wherever displayed. Each \$1.00

"SUPER COLLECTION"

In this collection we pack six outstanding varieties that are all renowned kinds in the higher price brackets. The varieties are named on the outside of the package and each root is labeled. Here is an opportunity to feature six leading varieties that every Dahlia grower wants, and at a price much lower than they could be bought individually. Each \$1.00

"CACTUS COLLECTION"

Every Dahlia lover wants Cactus varieties and for years we have been building up our stocks of this type to enable us to put up this collection at a reasonable price. A wide range of colors is represented in the six varieties and all are true Cactus types. This package is very attractive and will sell itself. Remember, every root is guaranteed. Each \$1.00

"POMPON COLLECTION"

Six choice pompon varieties, one each of six different colors. Same attractive package with group illustration of Pompon Dahlias in actual color.

A good demand exists for these dainty Pompon varieties and, at the low price at which this collection can be sold, will prove to be a good seller. Each \$1.00

"MINIATURE COLLECTION"

A very beautiful four color wrapper, showing six of the leading varieties, encloses this collection. We believe this is the first time that these beautiful Miniature types have been made available at such low prices. There is a pronounced trend toward these smaller flowers and this collection fills a timely need. Each \$1.00

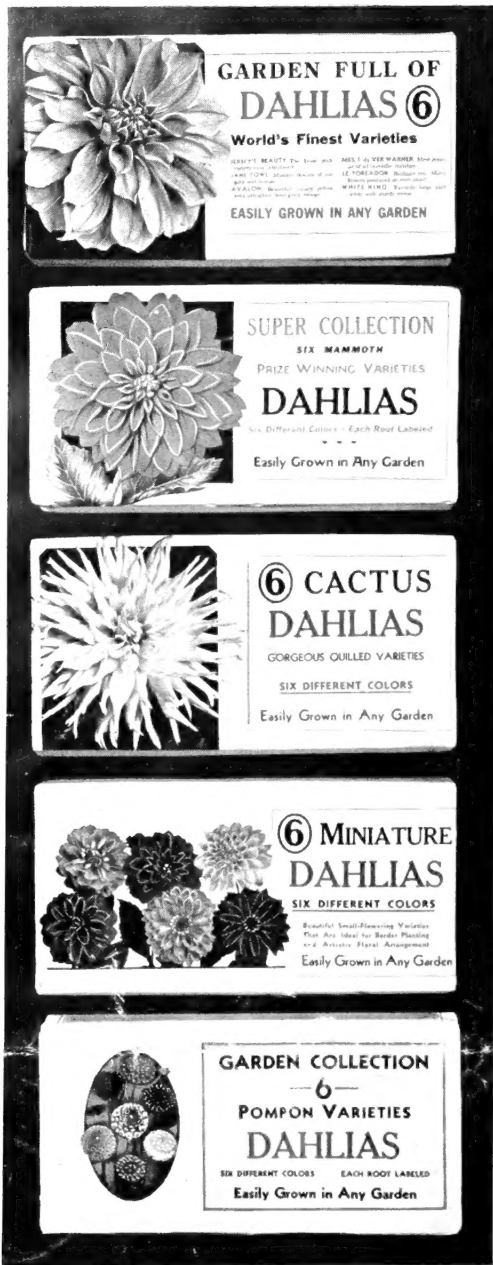

SINGLE DAHLIA BOXES

These individual Dahlia boxes each contain one plump root that is wrapped in moisture-proof paper to preserve it in good condition until planting time. The boxes are attractively printed in the natural colors of the flower and make a good, colorful sales appeal when properly displayed. Planting and growing instructions are shown on each box.
